

April 29, 2024

Dear Residents/Landowners,

**Subject: Cardiff Park interior road and Range Road 251 construction**

---

We are writing to let you know that Sturgeon County is planning significant infrastructure improvements in Cardiff Park this construction season and along Range Road 251.

### Scope of work

This spring, a Sturgeon County contractor will be rehabilitating Cardiff Park's internal roads and reconstructing Range Road 251. This work will include improving the road base, paving, and drainage improvements. There will be Sturgeon County project personnel, construction crews, and equipment working in the area. Range Road 251 will have a full reconstruction between Range Road 552 and Range Road 554.

### What this means to you

Construction will take place Monday to Saturday between the hours of 7 a.m. - 7 p.m. We expect that the project will take about six months to complete. Please be aware that construction schedules may change depending on weather conditions.

During construction, the access to the park will be limited to either north or south depending on the stage of construction with the golf course as the split point. Access to the park will be maintained; however, should users want to avoid disruptions they may consider other Sturgeon County parks listed on [www.sturgeoncounty.ca/parks](http://www.sturgeoncounty.ca/parks).

The work on Range Road 251 is scheduled to start at the same time as the Cardiff Park project. No full road closures are planned at this time; we intend to keep one lane open at all times.

### Staying in touch

To stay up to date on all our projects, please visit the road construction project pages on our website at [www.sturgeoncounty.ca/Roads](http://www.sturgeoncounty.ca/Roads). We encourage you to sign up to follow this construction project, as well as any others that may be of interest, and receive weekly progress email updates..

If you have any questions, please contact the County Project Manager, Scot Williams, at **587-604-9642** or by email at [swilliams@sturgeoncounty.ca](mailto:swilliams@sturgeoncounty.ca). He will provide further details and address any questions you might have.

We appreciate your understanding as we work to enhance Sturgeon County's infrastructure.

Sincerely,

Max Adu-Safo.

Acting Director, Transportation & Engineering Services, Sturgeon County
