

WHY STURGEON COUNTY?

We make things happen here.

ABOUT OUR COUNTY

Sturgeon County is located in the northern portion of the Edmonton Metro Region. We are a diverse, growing community that embraces rural lifestyles while enjoying the benefits of being an integral part of the second-fastest growing region in Canada.

WHY CHOOSE US?

Immediate access to 14 major highways and CN Railway's Class 1 Network (spans Canada and mid-America, connecting to three coasts)

Access to a labour force of over 840K people within an hour drive

Deep regional talent pool with 8 post-secondary institutions and over 130K students

LET'S WORK TOGETHER!

Work with us to identify economic benefits including qualified suppliers, world-class research partners, incentives and shovel-ready development sites.

RENEWABLE ENERGY COMPANIES CHOOSING STURGEON COUNTY

"Bison continues to receive strong support from Sturgeon County administration in aiding of our efforts to establish our business in the county. Our CCS focus directly aligns with Sturgeon County's vision of attracting elements of an emerging hydrogen economy, and they have also suggested tangible ways our business could be more successful. We look forward to continuing to develop this relationship as we are building a business that can support economic growth and strong community development in Sturgeon County." - Bison Low Carbon Ventures Inc.

AVAILABILITY OF SUITABLE LAND

Sturgeon County is a proud founding member of **Alberta's Industrial Heartland**, Canada's largest hydrocarbon processing region. The County's portion of the Heartland is approximately **100 square kilometres**. These lands offer designated developable land for renewable energy projects with proximity to decarbonization opportunities and industrial partners.

Thousands of acres of shovel-ready heavy, medium and light industrial land zoned for development
