Dear Property Owners and Residents:

Re: Notice of Road Construction in Hewitt Estates and Sturgeon Valley Vista

We are writing to let you know that Sturgeon County is planning significant infrastructure improvements in your area this summer. A Sturgeon County contractor will be working on pavement preservation in Hewitt Estates and Sturgeon Valley Vista. This project will upgrade the existing roads with a newly paved surface.

Scope of Work

Hewitt Drive and Valley Drive are scheduled to undergo a mill and overlay treatment, which involves removing the top layer of asphalt and replacing it with a new layer. This is noted in blue on the map.

Abby Drive, Rex Place, Park Lane, and Marshall Place will receive a micro-surfacing treatment. This involves applying a new, thin layer of protective material on the road's surface. This is noted in yellow on the map.

We expect that the project will take two to three weeks to complete. Please be aware that the construction schedule may change depending on weather conditions.

What this means to you

There will be Sturgeon County project personnel, contractor crews, and equipment working in the project area. There will be temporary one lane closures with detour signs in place. Access to your home will be maintained throughout construction, but delays may occur.

Staying in touch

To stay up to date on all our projects, please visit the road construction project pages on our website at www.sturgeoncounty.ca/Roads. We encourage you to sign up to follow this construction project, as well as any others that may be of interest, and receive weekly progress email updates.

If you have any questions or concerns, please call Ty Fergel at 780-939-8250 or email tfergel@sturgeoncounty.ca

We appreciate your understanding as we work to enhance Sturgeon County's infrastructure.

Sincerely,

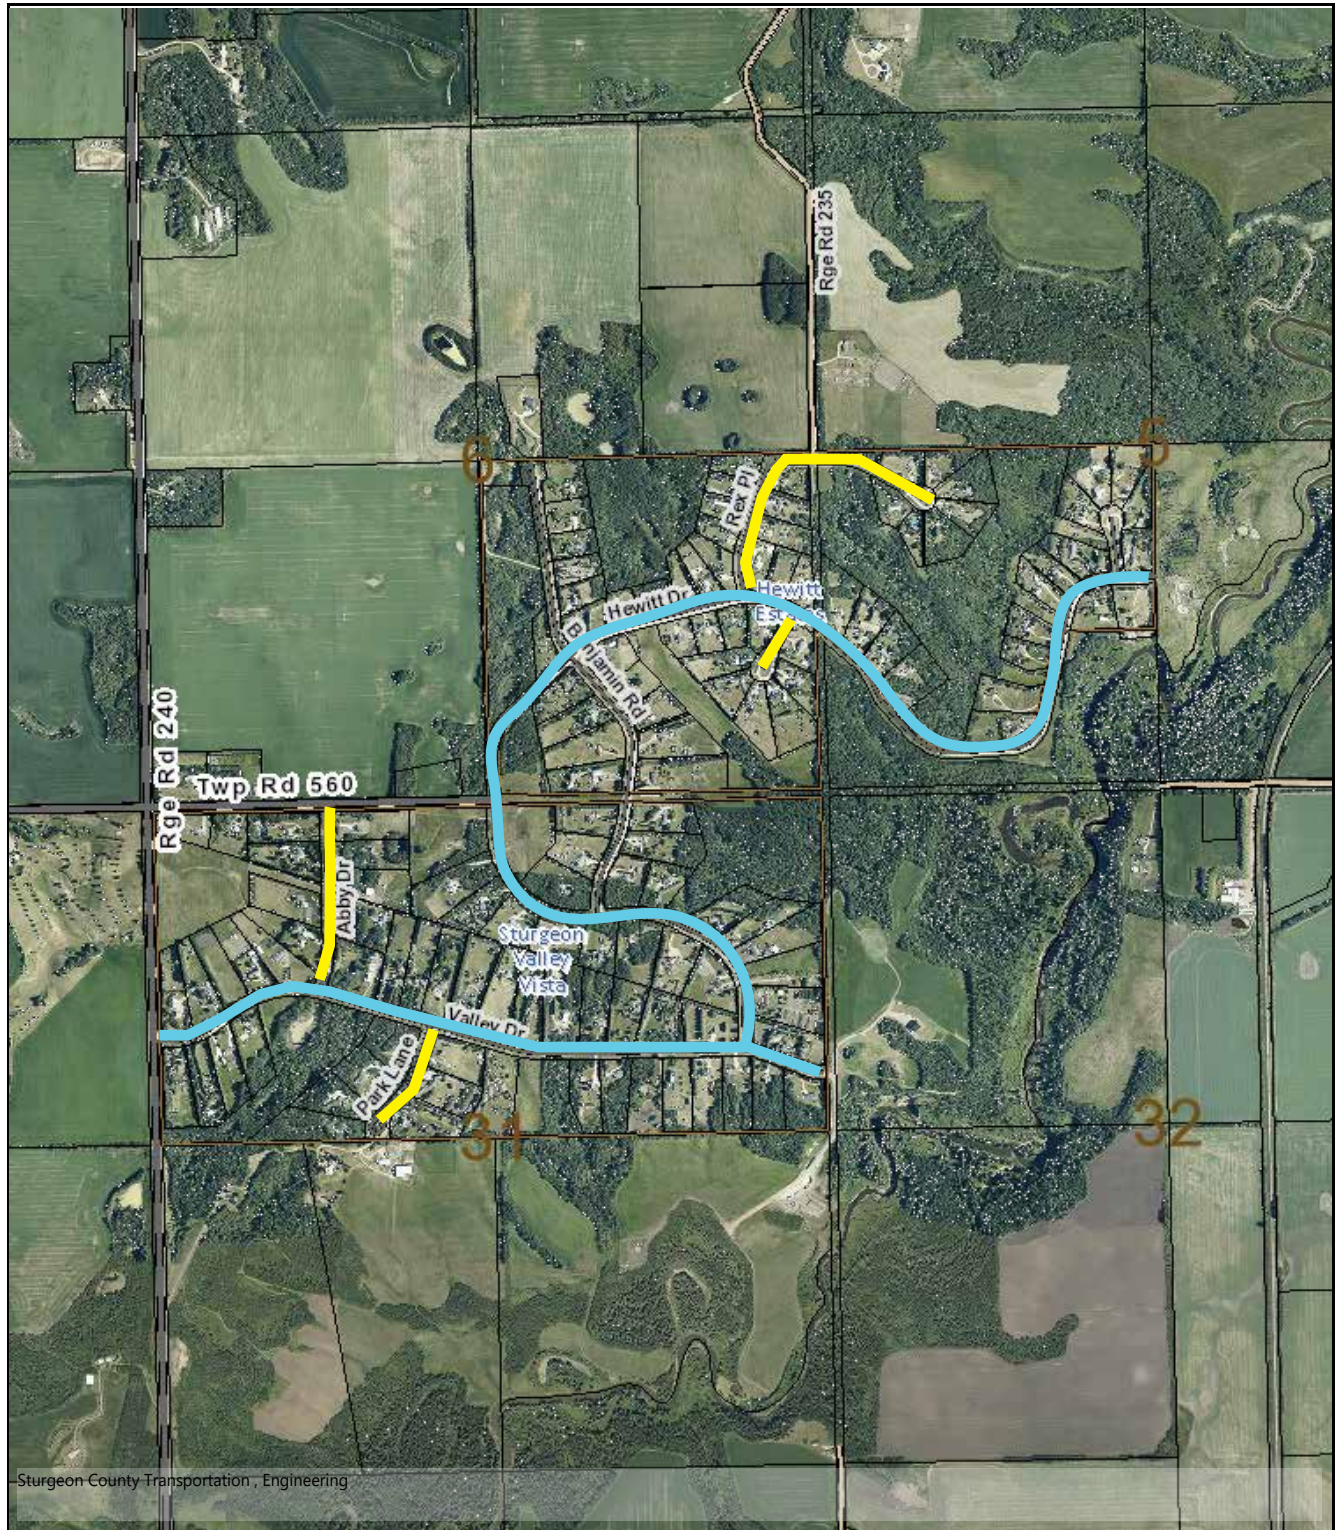

Max Adu-Safo
Acting Director, Transportation & Engineering
Services Sturgeon County
