

# RESIDENT

## GUIDE

## LAND ACKNOWLEDGEMENT

Sturgeon County recognizes we are on Treaty 6 territory, the traditional homelands of Alexander and Michel First Nations, as well as the Métis Nation of Alberta's Districts 8 and 11.

We are all Treaty People; we love and cherish this place we call home and the land that provides for us. A place where our families, friends, and other relations live and grow. We commit ourselves to continually becoming better Treaty people so that this place and those we love continue to thrive as long as the sun shines, the grass grows, and the rivers flow.

## EMERGENCY CONTACTS

# WELCOME TO STURGEON COUNTY

Sturgeon County is home to more than 20,000 residents and offers a unique blend of both urban and rural lifestyles. We truly have the best of both worlds! We have a strong sense of community, the peacefulness of a rural setting with ample open spaces, the convenience of an urban centre and plenty of indoor and outdoor amenities.

The County covers 2,084 square kilometers north of Edmonton and west of the North Saskatchewan River. It is bordered by Parkland, Lac Ste. Anne, Barrhead, Westlock, Thorhild, Lamont and Strathcona counties. Residents also have easy access to major cities like St. Albert and Edmonton and towns like Morinville, Redwater, Gibbons, Bon Accord and Legal.

We are recognized for our thriving and diverse agricultural sector, advanced manufacturing sector, and robust transportation and logistics networks.

Welcome to Sturgeon County. We're happy you're here.

## A MESSAGE FROM MAYOR ALANNA HNATIW

Sturgeon County has deep roots and ambitious communities. We start things here and we're never satisfied with the status quo. We are closely connected with all our neighbours — and we work together to drive this place forward.

We know our success comes from partnerships — and we work hard at nurturing our connections with small towns, big cities, First Nations and Métis Peoples. We pride ourselves on lending a hand to our neighbours and getting behind their ideas.

Whether you just moved in, or your family has been here for generations, we take care of each other. There's power in collective ambition and shared values, and we welcome everyone who is ready to join us.

Welcome to Sturgeon County.

**Mayor Alanna Hnatiw**

587-987-2907

ahnatiw@SturgeonCounty.ca

# YOUR MAYOR AND COUNCIL

Sturgeon County is comprised of six divisions, with one Councillor representing each division. The Mayor is elected at-large, which means residents vote for and elect the Mayor in addition to their division Councillor. Elections are held every four years. The next municipal election takes place in fall of 2025.

Visit [SturgeonCounty.ca/Council](https://SturgeonCounty.ca/Council) to learn more.

## COUNCIL MEETINGS

All regular Council meetings are open to the public. Unless otherwise advertised, these meetings are held on the second and fourth Tuesday of the month and start at 9 a.m. Meeting agendas are published online at least 24 hours before the meeting. You can attend meetings in-person or online.

### DIVISION ONE

#### **Councillor Dan Derouin**

587-986-1431

[dderouin@SturgeonCounty.ca](mailto:dderouin@SturgeonCounty.ca)

### DIVISION TWO

#### **Councillor Kristin Toms**

587-879-0208

[ktoms@SturgeonCounty.ca](mailto:ktoms@SturgeonCounty.ca)

### DIVISION THREE

#### **Councillor Matthew McLennan**

780-974-4713

# WATER, WASTE & RECYCLING

## Utility & Waste Management Services

780-939-8254

Utilities@SturgeonCounty.ca

## WATER AND WASTEWATER

Sturgeon County's Utility and Waste Management Services (UWMS) department works hard to guarantee safe drinking water for our communities. We have more than 2,600 customers relying on us for water to carry out their daily activities.

The Utility department is self-funded. The department's biggest expense is the supply of water from Epcor, followed by infrastructure maintenance, and customer care and billing.

The County's rate structure is made up of a flat rate which covers things like customer service and meters. The variable rate covers the purchase of water from Epcor and is based on how much water you use. Customers are charged a fixed rate based on their meter size. Most customers fall under the one-inch meter size.

### PAYING YOUR WATER AND WASTEWATER BILL

Utility customers are billed monthly. You can pay your utility bill in the following ways:

- pre-authorized debit: you can sign up to automatically pay your bill so you never miss a payment
- in-person at Sturgeon County Centre (9613 100 St., Morinville, AB T8R 1L9): we accept cash, debit, cheque, or money order
- online through your banking institution
- in-person at your banking institution
- mailing or dropping off a cheque or money order to Sturgeon County Centre (9613 100 St., Morinville, AB T8R 1L9)

Pay your bill on time to avoid a financial penalty or risk having your services disconnected.

Learn more about paying your water and wastewater bill at [SturgeonCounty.ca/Billing](https://www.sturgeoncounty.ca/Billing).

## SIGN UP FOR E-BILLING

We offer paperless or electronic billing (e-billing) for utility customers.

Sign up for e-billing at

[SturgeonCounty.ca/Billing](https://www.sturgeoncounty.ca/Billing).

## ACCESSING TRUCK FILLS/ BULK WATER

Truck fills (bulk water stations) provide potable water to customers who don't have direct water service.

We have truck fills in the following areas:

- Allin Ridge  
54313 Range Road 250
- Cardiff  
85 Mill Road
- Redwater  
5701 44 St. in Redwater
- Rivière Qui Barre  
99-26500 Highway 44
- Summerbrook  
5-2511 Coal Mine Road
- Sturgeon Industrial Park  
22329 Township Road 552
- Villeneuve  
26503 Highway 633

Learn more about accessing bulk water at [SturgeonCounty.ca/TruckFill](http://SturgeonCounty.ca/TruckFill).

## BULK WATER PAYMENTS

Set up your pre-paid bulk water account at [SturgeonServices.ca](http://SturgeonServices.ca). You can pre-pay via credit card, Visa Debit or cash (in-person only), and can pay online, by phone at 780-939-8254 or in-person at 9610 100 St. in Morinville.

*Note: the Rivière Qui Barre truck fill accepts \$0.25 and \$1 coins for filling bottles and small tanks.*

## WASTE AND RECYCLING

Sturgeon County does not provide waste collection services. You are responsible for managing your waste pickup or disposal.

Landowners with household dwellings can dispose of up to 8,000 kilograms of household waste and recycling each year at the Roseridge Landfill and Redwater Transfer Station. Sign up for your free waste and recycling permit at [roseridge.ab.ca](http://roseridge.ab.ca).

Roseridge Landfill and the Redwater Transfer Station are owned and operated by the Roseridge Waste Management Services Commission, a partnership between Sturgeon County and the towns of Bon Accord, Morinville, Gibbons, Redwater and Legal.

Learn more at [Roseridge.ab.ca](http://Roseridge.ab.ca).

## PRIVATE WATER WELLS

In Alberta, only a licensed water well contractor can drill a well. A list of licensed water well contractors is available through the Alberta Water Well Drilling Association at [awwda.ca](http://awwda.ca).

Alberta's Working Well program offers tips on drilling, pumps, and maintenance. Learn more about the Working Well program at [Alberta.ca/Working-Well](http://Alberta.ca/Working-Well).

You can use a well-water testing service to test the quality of your well water. Testing kits are also available from some public health centres. For more information, call Alberta Health Services at 780-342-2660.

## LOW-PRESSURE SEWER SYSTEMS

Low-pressure sewer systems are commonly used in rural and acreage communities in Sturgeon County.

Owners of low-pressure sewer systems must have their own two-stage septic tanks. Instead of pumping the liquid effluent to fields or mounds – as is usually done on farms or isolated acreages – the wastewater is pumped into a liquid wastewater collection force main. A force main is used to move wastewater from a lower to higher elevation.

The property owner is responsible for the individual pump system, and should have the pump system inspected and serviced by a qualified service person or company each year. The Alberta Safety Codes Council recommends hiring a vacuum truck to clean the solid waste that doesn't biodegrade. A tank is usually vacuumed every two years.

### PERMITS

A *plumbing permit* is needed when your system connects to a septic tank and the tank connects to the municipal system. A *private sewage permit* is needed when you will dispose of the sewage privately. These permits are needed for the installation and/or replacement of a septic tank.

The *Safety Codes Act* requires permits to be obtained before any work begins on buildings covered by the Alberta building and fire codes, the Canadian Electrical Code, the gas code, the National Plumbing Code of Canada, or the Alberta Private Sewage Systems Standard of Practice. Contact the Safety Codes Administrator at 780-939-8276 for more details about permit requirements.

The property owner is responsible for arranging all the necessary permits unless your contractor has done this on your behalf. Failure to comply will result in a bylaw infraction fine and costs to bring the project into compliance.

### PERMITS

Find our permit applications at  
**[SturgeonCounty.ca/Permits](https://sturgeoncounty.ca/Permits)**.

Get tips on maintaining  
your septic systems at  
**[SturgeonCounty.ca/Sewer](https://sturgeoncounty.ca/Sewer)**.

# ROADS

## Transportation & Engineering Services

780-939-8252

Projects@SturgeonCounty.ca

The County is home to 185 kilometres of secondary roads and 1,776 kilometres of gravel and paved local roads.

Information about road programs, temporary road closures and construction projects is available at [SturgeonCounty.ca/Roads](https://www.sturgeoncounty.ca/Roads).

Visit [511.alberta.ca](https://www.511.alberta.ca) for current road conditions on both County roads and provincial highways.

## REPORTING ROAD CONCERNS

Our transportation crews are always working to maintain and improve County roads, and we rely on residents to let us know about road issues they see on our roads.

You can report a road concern by:

- Sturgeon County app
- Sturgeon County website at [TransFeedback.SturgeonCounty.ca](https://www.sturgeoncounty.ca/TransFeedback)
- calling 780-939-8252 during weekday office hours (8:30 a.m. to 4:30 p.m.) or by calling 780-939-4321 after hours

## NUMBERED HIGHWAYS

The Government of Alberta is responsible for road maintenance, including snow and ice removal, on all numbered highways in Sturgeon County.

## GRAVEL ROAD PROGRAM

The County has an extensive network of gravel roads totalling 1,400 kilometres. This requires a lot of equipment! Sturgeon County has 11 graders that also double as snowplows in the winter. During the warmer months, they're busy on our gravel roads.

Time, traffic, weather and erosion can cause gravel to be displaced from the centre of the road, leading to a buildup of material along the road's shoulders. This can create a variety of issues, including reduced road width, poor drainage, and an uneven driving surface.

To ensure our gravel roads are regularly maintained and properly graded, we have a three-year cycle in which all roads are inspected. This helps improve safety and provide better driving conditions.

## CONTROLLING DUST ON GRAVEL ROADS

You can submit an application to have dust suppression sprayed on unpaved roads near your home to minimize the impact of dust created by traffic. Applications for Sturgeon County's dust suppression program are typically accepted in early spring.

The cost for dust suppression is shared between the County and resident, and the fees depend on the type of suppressant used and the length of application. The first 100 metres of dust suppression are subsidized by the County. Additional dust suppression is paid for by the resident; you can purchase up to an additional 100 metres, available in 10-metre increments.

Learn more about the dust suppression program at [SturgeonCounty.ca/Dust](https://SturgeonCounty.ca/Dust).

## CLEARING SNOW FROM YOUR DRIVEWAY

When you are clearing snow from your driveway, push it off to the right side. This way, when the snowplows and graders come by, they don't push it back onto your driveway.

Do not push the snow across the road into ditches. Crossing into oncoming traffic is dangerous, and the chunks of snow and ice left behind on the road can create a hazard for other drivers.

## REMOVAL OF WINDROWS

A windrow is a pile of snow left at the side of the road after snowplows clear snow. Crews try to minimize the size of windrows. Due to the size of the equipment, they are not able to clear windrows from individual driveways. We ask residents to clear their own approaches or hire a private contractor to clear windrows from the road in front of their house.

## SNOW AND ICE REMOVAL

Our crews monitor, maintain and clear the roads throughout the winter. We declare a snow event when at least 10 centimetres (four inches) of snow has accumulated.

After the snow event ends, crews work to clear the snow and ice from the roads. Roads are plowed in the following priority order:

- **Priority 1:** paved and oiled access roads (arterials and collectors) that have high traffic volumes.
- **Priority 2:** other paved and oiled roads within subdivisions (local roads).
- **Priority 3:** gravel roads (collectors and local roads) and subdivisions.

We try to complete snow and ice removal on Priority 1 roads within 24 hours and Priority 2 and 3 roads within 72 hours after a snow event ends.

## JOIN A BOARD OR COMMITTEE

Sturgeon County recruits members of the public to serve on several boards and committees. These boards and committees – which include the Agricultural Service Board, Economic Development Advisory Board, Transportation Advisory Committee, Youth Advisory Committee and more – play an important role in the governance of Sturgeon County.

Members are recruited and appointed every fall. Applicants can apply online and help shape the future of Sturgeon County. To find out more about Sturgeon County's boards and committees visit [SturgeonCounty.ca/Boards](https://SturgeonCounty.ca/Boards).

# HEALTH & SAFETY

In an emergency, every second counts. **Call 911 in an emergency where you need fire, police or ambulance services.**

## AMBULANCE AND HOSPITAL SERVICES

Ambulance/emergency medical services are provided by Alberta Health Services. Call **911** if you have a medical emergency or need an ambulance.

Learn more at [AlbertaHealthServices.ca/EMS](https://albertahealthservices.ca/EMS).

## LOCAL HOSPITALS

### STURGEON COMMUNITY HOSPITAL

This facility provides a range of healthcare services, including a 24/7 emergency department.

201 Boudreau Road | St. Albert

Emergency: 911

Switchboard: 780-418-8200

Learn more at [ahs.ca/Sturgeon](https://ahs.ca/Sturgeon)

### FORT SASKATCHEWAN COMMUNITY HOSPITAL

This facility provides a range of healthcare services, including a 24/7 emergency department.

9401 86 Ave. | Fort Saskatchewan

# POLICING AND ENFORCEMENT

📞 911 (emergencies)

Sturgeon County peace officers and the RCMP provide bylaw enforcement and policing services to the area and its citizens. Learn more at [SturgeonCounty.ca/Enforcement](https://SturgeonCounty.ca/Enforcement).

## PEACE OFFICERS

Peace officers patrol communities and respond to complaints. Enforcement Services ensures County bylaws – such as the *Animal Control Bylaw*, *Dog Control Bylaw*, *Regulation of Traffic Bylaw and Community Standards Bylaw* – are followed by residents, businesses and visitors.

Enforcement Services also enforces provincial legislation, such as the *Traffic Safety Act* and the *Environmental Protection and Enhancement Act*.

📞 780-939-8400

✉️ [ProtectSvc@SturgeonCounty.ca](mailto:ProtectSvc@SturgeonCounty.ca)

## RCMP

The RCMP are responsible for responding to and investigating all criminal matters, including the following:

- Persons Crimes
- Property Crimes
- Drug-related Crimes
- Organized Crimes
- Frauds/Scams

### Fort Saskatchewan detachment

Non-emergency line: 780-992-6100  
General inquiries: 780-997-7900  
200 Town Crest Road, Fort Saskatchewan

### Morinville RCMP detachment

Non-emergency line: 780-939-4520  
General inquiries: 780-939-1600  
10512 101 Ave., Morinville

### Redwater RCMP detachment

Non-emergency line: 780-942-3600  
General inquiries: 780-942-3607  
4811 58 Street, Redwater

Learn more at [rcmp-grc.gc.ca/detach](https://rcmp-grc.gc.ca/detach).

# CRIME PREVENTION

Every resident has a role in crime prevention. We encourage all residents to consider making easy and cost-effective changes to their property to increase safety and deter criminals. Get tips at [SturgeonCounty.ca/Crime-Prevention](https://SturgeonCounty.ca/Crime-Prevention). Contact Sturgeon County Enforcement to request your free crime prevention assessment for your home or business, using environmental design.

Sturgeon County partners with local RCMP and the following community groups to support crime prevention:

- Sturgeon Rural Crime Watch Association  
[SturgeonRuralCrimeWatch.org](https://SturgeonRuralCrimeWatch.org)
- Alberta Citizens on Patrol  
[ACOPA.ca](https://ACOPA.ca)

# VICTIM SERVICES

- Central Alberta Regional Victim Serving Society  
[carvss.ca](https://carvss.ca)
- Eastern Alberta Regional Victim Serving Society  
[earvss.ca](https://earvss.ca)

# DISASTER SERVICES

Sturgeon County is a member of the Sturgeon Regional Emergency Management Partnership (SREMP). This group also includes the towns of Bon Accord, Gibbons, Legal, Morinville and Redwater.

These municipalities have worked together to create a Regional Emergency Management Plan, which will help them quickly coordinate emergency response efforts in the event of a disaster. In addition, staff from the partner municipalities regularly take part in emergency simulations to develop and maintain a level of emergency readiness. Learn more at [SREMP.ca](https://SREMP.ca).

## FIRE SERVICES

The Protective Services Building is located at 54509 Range Road 252 in Sturgeon County.

☎ 911 (emergencies)  
780-939-8400

✉ ProtectSvc@SturgeonCounty.ca

Sturgeon County Emergency Services and its partners provide 24/7 fire and rescue services to people and properties in Sturgeon County.

The following fire stations are staffed by roughly 15 full-time and more than 150 paid on-call firefighters:

- Calahoo (Station 1)  
108, 54500 Range Road 275 Lac Ste. Anne Trail  
Sturgeon County, Alberta  
*Sturgeon County manages and operates this fire hall.*
- Legal (Station 3)  
4920 50 Ave., Legal, Alberta  
*Sturgeon County manages and operates this fire hall.*
- Namao (Station 4)  
54509 Range Road 252, Sturgeon County, Alberta  
*Sturgeon County manages and operates this fire hall.*
- Bon Accord (Station 5)  
5025 50 Ave., Bon Accord, Alberta  
*Sturgeon County manages and operates this fire hall.*
- Redwater (Station 7)  
4925 47 St., Redwater, Alberta  
*Sturgeon County manages and operates this fire hall.*
- Morinville Fire Department  
10021 100 St., Morinville, Alberta
- Gibbons Fire Department  
4807 50 Ave., Gibbons, Alberta

### BECOME A PAID ON-CALL FIREFIGHTER

We are looking for people who are positive, team oriented and enjoy physically demanding work. We recruit annually in the month of August.

No experience is required to apply.

Learn more and apply at

**[SturgeonCounty.ca/Recruitment](https://SturgeonCounty.ca/Recruitment)**.

## FIRE PERMITS

You **do not need** a fire permit for a fire in an approved fire pit for recreation, cooking, or warming purposes, but you must always monitor the fire.

You do **need** a fire permit for other fires, such as burn barrels, incinerators, garden/yard debris, large brush piles, windrow piles and structure fires. Get your fire permit at **[SturgeonCounty.ca/FirePermits](https://SturgeonCounty.ca/FirePermits)**.

Before you have an outdoor fire, check first to see if there is a fire advisory, restriction or ban in effect.

To see if a fire advisory, restriction or ban is in effect in Sturgeon County, visit **[AlbertaFireBans.ca](https://AlbertaFireBans.ca)** or **[SturgeonCounty.ca/FireBans](https://SturgeonCounty.ca/FireBans)**, or call 780-939-8400.

## PROPERTY FIRE INSURANCE

You may qualify for reduced fire insurance rates if the following applies:

- Your property is located within eight kilometres of an accredited fire hall.
- Your property is located within five kilometres of a recognized water supply.

Learn more at

**[SturgeonCounty.ca/Property-Fire-Insurance](https://SturgeonCounty.ca/Property-Fire-Insurance)**.

# POWER, GAS & INTERNET PROVIDERS

You can sign up for the regulated rate option or opt to get your electricity and natural gas through a competitive retailer. Call the Utilities Consumer Advocate at 310-4822 or visit [ucahelps.alberta.ca](http://ucahelps.alberta.ca) for information about competitive retailers.

## POWER

Providers include:

- EPCOR | [epcor.com](http://epcor.com)  
EPCOR is a regulated rate company providing electricity in the distribution area served by Fortis Alberta.
- North Parkland Power Co-Op | [npprea.ca](http://npprea.ca)  
North Parkland Power Co-Op is a rural electrification association.

## NATURAL GAS

Providers include:

- Apex Utilities Inc. | [apexutilities.ca](http://apexutilities.ca)  
Apex Utilities Inc. is a regulated rate company and distributor.
- Coronado Gas Co-Op | 780-491-0114  
Coronado Gas Co-Op is a not-for-profit cooperative.

## INTERNET

### WIRELESS INTERNET

Internet providers install towers throughout the County and put an antenna on your house to connect it to the tower. Internet speeds are highly dependent on your distance from the tower, topography, and barriers like tree cover and buildings. You'll often get the best service from the towers closest to you, subject to hills and trees.

Providers include Albertacom, Clearwave Broadband Networks, MCSnet, Shaw, Starlink, TELUS & Xplore.

### FIBRE INTERNET

Fibre optic cable provides exceptional internet speeds and reliability. The portion of Sturgeon County west of Highway 2 and south of Highway 642 has fibre to some homes and businesses. Not all eligible properties are connected to the fibre network. For fibre availability and more information, call 587-200-4051 or email [broadband@sturgeoncounty.ca](mailto:broadband@sturgeoncounty.ca).

Providers include Albertacom, Clearwave Broadband Networks & Northern Lights Fiber.

Learn more at [SturgeonCounty.ca/Internet](http://SturgeonCounty.ca/Internet).

# ANIMAL CONTROL

## Protective Services

54509 Range Road 252  
Sturgeon County, Alberta

☎ 780-939-8419

✉ [ProtectSvcs@SturgeonCounty.ca](mailto:ProtectSvcs@SturgeonCounty.ca)

Sturgeon County Animal Control responds to animal-related complaints and ensures the Animal Control Bylaw and Dog Control Bylaw are followed.

These bylaws outline important rules about animal ownership, including the following:

- responsibilities for dog owners
- dog licence requirements
- how many hens you can have (roosters are not allowed)
- how many other animals – including horses, cows, pigs and more – you can have, depending on your property type

Learn more at [SturgeonCounty.ca/Animal-Control](https://SturgeonCounty.ca/Animal-Control).

## DOG LICENSING

If you live in a multi-lot subdivision or hamlet and have a dog, you must purchase a dog licence and renew that licence each year.

Dog licences are \$20 for neutered males and spayed females, or \$30 for unaltered dogs. Your licence is valid for one year from the application date. You can purchase or renew your licence online or in-person at Sturgeon County Centre.

We will remind you via email 30 days prior to your licence(s) expiring; however, it is your responsibility to keep your dog's licence up to date. You could incur a fine if you don't have a dog licence or fail to renew your licence when it expires. Note: you do not receive a new tag each time you renew the licence.

Learn more at [SturgeonCounty.ca/Dog-Licensing](https://SturgeonCounty.ca/Dog-Licensing).

## ANIMAL-RELATED CONCERNS OR COMPLAINTS

Contact our animal control officers if you find a dog, lose a dog or want to submit a concern or complaint. Call us at 780-939-8419 Monday to Friday from 8:30 a.m. to 4:30 p.m., or at 780-939-4321 after hours; after-hours calls are handled through an answering service.

Call the Alberta SPCA at 1-800-455-9003 to report an animal in distress or animal welfare concern.

---

## LOST AND FOUND DOGS

If you lose your dog, call our animal control officers at 780-939-8419. You should also call local veterinary clinics and neighbours to see if anyone found your dog, and to share details of what your dog looks like and your contact information in case it is found. We recommend you also share this information on social media.

When a dog is found, Sturgeon County's animal control officers try to identify it using tags on its collar, a microchip or tattoos. If a dog is found and cannot be identified, it is taken to the Edmonton Humane Society.

### **Edmonton Humane Society**

Phone: 780-471-1774

13620 163 St. NW

Edmonton, Alberta

[EdmontonHumaneSociety.com](http://EdmontonHumaneSociety.com)

# PROPERTY TAXES & ASSESSMENT

## Assessment Services

☎ 780-939-4321

✉ [Assessment@SturgeonCounty.ca](mailto:Assessment@SturgeonCounty.ca)

Our Finance and Assessment departments offer many online services, including e-billing, Tax Installment Payment Plan enrollment and the interactive assessment map. Learn more at [SturgeonCounty.ca/Taxes](https://SturgeonCounty.ca/Taxes).

## PROPERTY ASSESSMENT

Your property assessment is determined by local assessors who follow provincial legislation and regulations.

Your annual assessment notice reflects the market value of your property on July 1, and the condition of structures on December 31, of the year prior to the current tax year.

Property factors like land size, and the condition, age, quality, and size of any structures on the parcel are considered to prepare your property assessment. Your use of the property affects its tax classification (Residential, Non-residential, Farm, Machinery & Equipment) and the local tax rate applicable to it. Since no two properties are identical, your property taxes and values are likely different than your neighbours.

Residents are encouraged to annually review their property assessment details in myproperty viewer map to ensure their property description is correct. Local assessors are ready to work with you to resolve discrepancies and affirm your details prior to needing file an assessment complaint. Assessors can be reached at 780-939-0601 or [SturgeonCounty.ca/Assessor](https://SturgeonCounty.ca/Assessor).

## JOIN THE TAX INSTALLMENT PAYMENT PLAN (TIPP)

Sign up to pay your taxes monthly instead of a single payment. Payments are automatically withdrawn. [SturgeonCounty.ca/TIPP](https://SturgeonCounty.ca/TIPP)

## PAYING YOUR PROPERTY TAXES

The tax rate is set in May of each year. Your taxes are calculated based on your property's assessed value and the municipal tax rate for your type of property, such as residential, non-residential or farm. We are also required by legislation to collect requisition amounts for education and seniors affordable housing for the provincial government.

Property tax notices are mailed out in May and taxes are due by the end of June.

### Sturgeon County Centre

9613 100 St., Morinville, Alberta T8R 1L9

Hours: Monday to Friday from 8:30 a.m. to 4:30 p.m.

Learn more about property taxes at  
[SturgeonCounty.ca/Property](https://SturgeonCounty.ca/Property).

## TAX PAYMENT OPTIONS

### IN-PERSON

at Sturgeon County Centre.  
9613 100 Street,  
Morinville, AB T8R 1L9  
Cash, debit, money order,  
or cheque made payable  
to Sturgeon County.

### DROP OFF BOX

at Sturgeon County Centre.  
Include your tax bill  
remittance portion  
and do not put cash  
in the drop off box.

### BANK OR FINANCIAL INSTITUTION

You are responsible for  
understanding the processing  
fees and timelines.

### THIRD PARTY PAYMENT PROCESSOR

Pay by credit card  
using processors like  
**PaySimply.ca**.

# DEVELOPING YOUR PROPERTY

## Planning & Development Services

780-939-8275

PandD@SturgeonCounty.ca

The Planning and Development Services customer service counter is open for in-person inquiries between 8:30 a.m. and 4:30 p.m. from Monday to Friday located at 9613 100 St., Morinville, Alberta.

Whether you are building a shed, building your dream home, opening a business or wanting to subdivide your property, we are committed to helping you understand and navigate the planning and development process.

Learn more at  
[SturgeonCounty.ca/Building-Development](https://SturgeonCounty.ca/Building-Development).

## SUBDIVIDING YOUR LAND

Subdividing is the process of dividing a lot or parcel of land into two or more lots or parcels. It also includes when several lots are combined or consolidated into a single parcel.

If you plan to subdivide, you may need to provide technical studies, such as a traffic impact assessment or geotechnical assessment, to support your application. If your application is approved, you'd need to hire a surveyor to formally survey the land. There may also be other rules you need to follow, such as constructing accesses to the parcels and dedicating lands for future road widening, environmental reserve or municipal reserve. Note: not all lands are eligible to be subdivided.

We recommend you discuss your subdivision plans with us in advance by calling 780-939-8275 or emailing [pandd@SturgeonCounty.ca](mailto:pandd@SturgeonCounty.ca).

Learn more at [SturgeonCounty.ca/Subdivision](https://SturgeonCounty.ca/Subdivision).

## BUILDING AND RENOVATING

Most projects in Sturgeon County that include any building or renovation need appropriate development permits and/or safety codes permits. This includes – but isn't limited to – the following projects:

- decks and patios
- accessory dwelling units (suites)
- home-based businesses
- accessory buildings, like garages, sheds, shops and greenhouses
- hot tubs and pools
- dugouts
- basement developments
- grading and stockpiling
- commercial or industrial buildings
- renovations
- septic/sanitary systems

**You generally don't need a permit for the following projects:**

- fences
- patios/decks less than 0.6 metres high
- buildings only used to house livestock or agricultural machinery and equipment
- accessory buildings, like sheds, less than 10 square metres
- landscaping
- renovations like re-roofing or re-siding

Permits generally include conditions, or rules you need to follow. Depending on the project and the specific site characteristics, you may need to provide technical studies, improve site access or infrastructure, or connect to available services. For commercial uses, there may also be rules for your hours of operation.

To determine what permits you might need for your project, contact Planning and Development at 780-939-8275 or [pandd@SturgeonCounty.ca](mailto:pandd@SturgeonCounty.ca).

If you don't secure the appropriate permits before beginning work, a stop work order may be issued and you could be fined.

Learn more at

**[SturgeonCounty.ca/Building-Renovating](https://www.sturgeoncounty.ca/Building-Renovating)**.

## REDISTRICTING YOUR LAND

Redistricting, or rezoning, is the process of changing the land use district that applies to a particular parcel of land. Each parcel of land is assigned a specific land use district; this regulates the activities that are allowed on that land, consistent with the zoning. For example, you would be allowed to build a house, garage or shed on a parcel of land in the residential land use district, but you would not be able to build a gas station.

As a landowner, you might request redistricting if you'd like to do something that is not currently allowed within the land use district. You need Council approval to redistrict your land.

We recommend you discuss your options for redistricting with us by calling 780-939-8275 or emailing [pandd@SturgeonCounty.ca](mailto:pandd@SturgeonCounty.ca).

Learn more at **[SturgeonCounty.ca/Subdivision](https://www.sturgeoncounty.ca/Subdivision)**.

---

## BEYOND THE PROPERTY LINE: UNDERSTANDING MUNICIPAL AND ENVIRONMENTAL RESERVES

There are municipal reserve and environmental reserve lands throughout Sturgeon County.

The County owns municipal reserve land and uses this land for public parks and trails. Environmental reserve land helps preserve the natural features of land – such as rivers, creeks, shorelines, wetlands or ravines – and is protected from development. These lands are used as public parks or left in their natural state.

Municipal and environmental reserves are public lands and you are welcome to enjoy these areas as parks. You can take a walk, play sports, and have picnics on these lands!

If your property backs onto a reserve area, you cannot build or store anything on these lands. Private buildings, structures and landscaping such as sheds, fences, trailers, gardens, firepits, material storage and driveways are considered encroachments and you could be asked to remove any developments or items from this land.

To make sure you don't encroach on reserve land, call us at 780-939-8275 or email [pandd@SturgeonCounty.ca](mailto:pandd@SturgeonCounty.ca). We will help you identify property lines and will discuss any permits you might need for your project.

# AGRICULTURE & ENVIRONMENT

## Agriculture Services

780-939-8349

AgricultureServices@SturgeonCounty.ca

We are proud of our agricultural roots. Various types of agriculture, including crop and livestock production, cover a significant portion of our land base. Our Agriculture Services department supports our farming and rural communities through its weed control and mowing programs, pest monitoring, problem wildlife management supports and resource sharing.

Our Agriculture & Environment team maintains Sturgeon County's vast trail and path system. If you see an area that requires attention, call (780) 939-8349.

## WHAT TO EXPECT IN FARM COUNTRY

With over 700 farms in Sturgeon County, you will likely encounter farm vehicles on our roads, especially during spring seeding and fall harvesting activities. Be patient and give them lots of space on our roads.

Crops must be seeded and harvested when the weather is good which sometimes means farmers operate machinery in their fields all hours of the day and night. This is a great opportunity to get a close-up look into the life of our hardworking farmers. Fortunately, any inconvenience is very short-lived.

If you haven't lived in a rural setting before, you might notice some new smells. If you live close to a farm with large animals, you might smell them depending on the wind direction. Manure is another smell you might encounter. Manure produced by livestock provides an important source of fertilizer for crops and is best managed by spreading it on fields at certain times of year. The *Agricultural Operation Practices Act* ensures this is done properly. Questions about these rules can be directed to the local Natural Resources Conservation Board Office at 1-866-383-6722.

## LIVING ALONGSIDE WILDLIFE

It's just a regular day when you spot a deer, moose, coyote or porcupine. We live alongside wildlife, so it's important to know how to avoid conflicts.

Alberta Fish and Wildlife has simple precautions you can follow to reduce the risks associated with living so close to wildlife. The tips cover garbage storage, bird seed, and keeping dogs leashed and cats inside, to name a few. Learn more at [Alberta.ca/Living-with-Wildlife](https://alberta.ca/Living-with-Wildlife).

## MANAGING PROBLEM WILDLIFE

Our Agriculture Services department has small animal traps available for rent as a humane method of removal.

If a coyote is disturbing livestock, or beaver activity is impacting infrastructure or cropland, report a problem wildlife issue at [SturgeonCounty.ca/Services](https://sturgeoncounty.ca/Services).

To report dangerous wildlife encounters, visit [Alberta.ca/Report-Poacher](https://alberta.ca/Report-Poacher) or call Report a Poacher at 1-800-642-3800. For a problem with an animal that's not an emergency, call the nearest Alberta Fish and Wildlife office during regular business hours; office locations are found at [Alberta.ca/Fish-Wildlife-Area-Office-Contacts](https://alberta.ca/Fish-Wildlife-Area-Office-Contacts).

## ACCESSING PRIVATE PROPERTY

Sturgeon County has a vast land base which makes it ideal for many year-round recreational activities. Much of the land is privately owned and what may look like an open field could be an agricultural crop that could accidentally be damaged. Weeds, pests and diseases can also be introduced accidentally to someone else's property. You need permission from the landowner in order to access their private property.

## CONTROLLING WEEDS AND GRASS

Noxious or prohibited noxious weeds present significant economic and ecological risks. They can spread rapidly and can cause severe crop losses and economic hardship. Property owners must follow the *Weed Control Act* and control or destroy weeds declared as noxious or prohibited noxious.

During the growing season, our weed inspectors can respond to incoming weed reports or inquiries. To report a weed concern or find out which species are regulated under current legislation, submit a weed and vegetation issue form at [SturgeonCounty.ca/Services](https://sturgeoncounty.ca/Services).

Our Community Standards Bylaw requires residents living in hamlets or subdivisions to maintain their grass to a height of 15 centimetres or less.

## MANAGING TREES ON YOUR PROPERTY

Trees are a very important part of the rural landscape and if you are lucky enough, you may have an abundance of them on your property. They provide critical habitat to pollinators, birds and animals. Management of trees on private property is your responsibility and proper maintenance can ensure that they stay healthy and safe. Request a tree assessment by submitting a hazardous trees and tree health concerns form at [SturgeonCounty.ca/Services](https://sturgeoncounty.ca/Services).

## PROTECTING WATERBODIES, WETLANDS AND DUGOUTS

Waterbodies, wetlands and dugouts are found throughout Sturgeon County. These water sources perform some pretty important functions including water storage for droughts, flood prevention, ground water recharge and habitat for wildlife just to name a few. Information on how to protect these areas can be found at [LandStewardship.org](https://landstewardship.org).

# COMMUNITY & RECREATION

## Family & Community Support Services

780-939-8334

fcss@SturgeonCounty.ca

## SCHOOLS

There are several school boards operating in our area.

**Greater St. Albert Catholic Schools** | [GSACRD.ab.ca](http://GSACRD.ab.ca)

**Sturgeon Public Schools** | [Sturgeon.ab.ca](http://Sturgeon.ab.ca)

**Conseil scolaire Centre-Nord** (Greater North Central Francophone Education Region No. 2) | [en.centrenord.ab.ca](http://en.centrenord.ab.ca)

**The Father's House Christian School** | [TFHSSchool.ca](http://TFHSSchool.ca)

## LIVING WELL PROGRAM

The Living Well Program is open to any Sturgeon County resident experiencing challenges such as mental health, financial hardship, family conflicts, or those seeking guidance and support during difficult life transitions. We are here to support individuals in regaining their strength, resilience, and confidence as they work toward improving well-being. To access services, please contact us by email at [livingwell@sturgeoncounty.ca](mailto:livingwell@sturgeoncounty.ca) or by phone at 780-722-1479.

## FAMILY AND COMMUNITY SUPPORTS

780-939-8334

[Programs@SturgeonCounty.ca](mailto:Programs@SturgeonCounty.ca)

Family and Community Support Services (FCSS) promotes healthy communities by supporting the development and sustainability of facilities, projects and programs that benefit our residents. For a list of our services, visit [SturgeonCounty.ca/FCSS](http://SturgeonCounty.ca/FCSS).

## COMMUNITY PROGRAMS

We offer a variety of programs to families, children, youth and seniors. These include the Living Well Counselling Service, workshops, job experience training for teens, and information and referrals. With support from local partners, our services are available at minimal or no charge. For a full list of programs visit [SturgeonCounty.ca/Programs](http://SturgeonCounty.ca/Programs).

## COMMUNITY SPIRIT PROGRAM

We offer supplies, support and funding that will help to build strong and resilient communities.

- **Block Parties:** Connect with your neighbours and create a sense of belonging in your neighbourhood.
- **Nominate a neighbour:** Each month, nominees will receive a card and a small gift thanking them for being great neighbours.
- **Wellness on Wheels:** Each summer, a team travels around to different neighbourhoods sharing ideas and resources to make our community even better.
- **Community Clean-Up Kits:** Free kits are available year-round. Gather your friends and neighbours to clean up your local park or green space.

## JOIN THE YOUTH LEADERSHIP GROUP

This group helps build leadership skills by providing volunteer opportunities and activities for teens (12 to 19). Meetings are monthly on Monday evenings, with additional volunteer or social activities. Contact the Community Program Coordinator at 780-939-8334 or [Programs@SturgeonCounty.ca](mailto:Programs@SturgeonCounty.ca).

## COUNTY BOUNTY

You're invited to our next County Bounty! Each summer, Sturgeon County hosts this free family-friendly event, which includes food, live music, a kids zone, a vendor village and beer gardens. There's something for everyone at County Bounty!

Learn more at

[SturgeonCounty.ca/CountyBounty](https://SturgeonCounty.ca/CountyBounty).

## RECREATION

We have cost-sharing recreation agreements with six neighbouring communities (Bon Accord, Gibbons, Legal, Morinville, Redwater and St. Albert) and the Edmonton Garrison.

These agreements ensure our residents have access to low-cost recreation facilities and resources. This includes swimming pools, gymnasiums and arenas. Sturgeon County residents have access to regional recreational programs, facilities and services. View area recreation facilities on pages 16 and 29.

### CARDIFF PARK

Cardiff Park is a year-round park popular with families, nature enthusiasts, anglers and athletes. It's a day-use park just outside of Cardiff (25023 Township Road 554) with the following attractions:

- Sturgeon Agriplex
- playgrounds
- trails, for running, walking, biking or cross-country skiing
- picnic sites, with shelters, barbecues and firepits
- lake, where you can catch trout and perch
- horseshoe pits
- volleyball courts
- full-size soccer pitches
- softball/slo-pitch diamonds

Learn more at [SturgeonCounty.ca/Parks](https://SturgeonCounty.ca/Parks).

### TRAILS

Sturgeon County maintains more than 20 kilometres of paved trails and more than 10 kilometres of gravel trails. These trails are cleared in the winter and are accessible year-round.

Check out the Get Outside Trail Map – an interactive map showing 14 County trails plus the connection to the Trans Canada Trail – at [SturgeonCounty.ca/Trails](https://SturgeonCounty.ca/Trails). This map shows trail locations, features, length, and difficulty level.

### PROGRAMS

From cooking and art classes to fitness and family programs, you can find your fun here!

Get ready to register by creating your online account.

You can register and pay for programs at

[SturgeonCounty.ca/Programs](https://SturgeonCounty.ca/Programs).

# STARTING OR OPERATING A BUSINESS
